

Congratulations on your new SPIN® Bike!

Congratulations! You're getting a brand-new Spin® bike! We're so glad you've joined the community. Spinning® was born on the road, raised in the studio, and made for your home.

To get you set up and ready to ride, our YouTube channel features [support videos](#) to help you assemble your bike, adjust your settings and more.

To connect to the digital Spinning® studio experience, start your free trial to the Spinning® subscription of your choice:

Spinning® Digital or Spinning® Digital Plus.
Or try them both and choose your favourite!

Spinning® Digital delivers 24/7 access to on-demand rides with rockstar instructors. It features new rides daily that you can stream directly to your favourite Wi-Fi-enabled TV, computer or favourite mobile device. With a diverse selection of instructors, training styles and durations, you can get the workout you want, whenever you want--even when you can't get to the studio.

Try Spinning® Digital free for 3 months by signing up [here](#). At the end of the promotional three-month term, your subscription will be automatically renewed at \$12.99/month unless you cancel. Offer expires 12/31/21.

Spinning® Digital Plus is our all-in-one app that combines all the rockstar instructors and rides from Spinning® Digital with real-time metrics and tracking. It pairs with your heart rate monitor and your bike (with a power crank or cadence sensor) to deliver personal metrics and training zones during your ride! Your performance is tracked with detailed graphs and workout history, so you'll see your progress as you crush goals and gain power!

Get Spinning® Digital Plus on the [App Store](#) or [Google Play](#) and sign up for a free 30-day trial.
